## Weekly Prayer 5th Sunday of Easter

### First Reading:

So the Twelve called together the community of the disciples and said, "It is not right for us to neglect the word of God to serve at table. Brothers, select from among you seven reputable men, filled with the Spirit and wisdom, whom we shall appoint to this task, whereas we shall devote ourselves to prayer and to the ministry of the word." (Acts 6:2-4)

### Psalm:

Lord, let your mercy be on us, as we place our trust in you. (Ps 33)

### Second Reading:

You are "a chosen race, a royal priesthood, a holy nation, a people of his own, so that you may announce the praises" of him who called you out of darkness into his wonderful light. (1 Pt 2:9)

### Gospel:

Jesus said to him, "I am the way and the truth and the life. No one comes to the Father except through me. If you know me, then you will also know my Father." (Jn 14:6-7)

**"The future starts today, not tomorrow." -  
St. John Paul II**

Pope Jean Paul II emphasizes the importance of taking action in the present moment rather than waiting for the future to arrive. By engaging in acts of charity today, we can make a positive impact on the future and create a better world for ourselves and future generations. Whether it's volunteering, donating to a worthy cause, or simply showing kindness to those around us, our actions today can have a ripple effect that extends far into the future. So let us not wait for tomorrow to make a difference, but let us start today and build a brighter tomorrow for all by supporting the ABCD now!

**"El futuro empieza hoy, no mañana."  
Papa Juan Pablo II**

El Papa Juan Pablo II insiste en la importancia de actuar en el momento presente en lugar de esperar a que llegue el futuro. Realizando actos de caridad hoy, podemos influir positivamente en el futuro y crear un mundo mejor para nosotros y para las generaciones venideras. Ya sea como voluntarios, donando a una causa noble o simplemente mostrando amabilidad a quienes nos rodean, nuestras acciones de hoy pueden tener un efecto dominó que se extienda mucho en el futuro. Así que no esperemos a mañana para marcar la diferencia, empecemos hoy y construyamos un mañana mejor para todos apoyando al ABCD ahora!

**Celebrating 75 years of  
 lasting traditions  
 St. Rose of Lima Church  
 #SRL75**

As St. Rose celebrates its 75th Anniversary, we also celebrate the thousands of children who have made their First Communion over those 75 years, including those who made their First Communion yesterday. The following photo was taken in 1972 of Paul and Berenice Buechele and family. Their children are Charles, Paul, Mark, Gregory, Lorraine Buechele Lacal ( making her First Communion), and Helene Buechele with Monsignor Enright. Berenice Buechele took the picture. Paul Buechele came to St. Rose in 1949, being one of the original founding members of St. Rose of Lima. Paul and Berenice attended daily Mass and Berenice was very involved in both the church and school.

## LIVE THE LITURGY

To those who persist in faith, the truth is a living stone, strong enough to support the weight of real joy. To those who despair of faith, it is a stumbling block. The truth will always be in their way.

## Vivir La Liturgia

Para aquellos que persisten en la fe, la verdad es una piedra viva, lo suficientemente fuerte como para soportar el peso del verdadero gozo. Para los que desesperan de la fe, es piedra de tropiezo. La verdad siempre estará en su camino.

**Geography Bee**

In SRL's highly anticipated 2022-23 Geography Bee, the "A" homerooms and "B" homerooms faced off in a thrilling Jeopardy-style competition. The event, which drew students in grades 5-8, put their knowledge of different places in the world to the test. The competition was fierce, but it was the "A" team that emerged victorious. Jayden Hoffler, Joshua Belle, Jasper Casasaren, and Elijah Tablan represented their homerooms with unparalleled expertise and quick thinking. Not to be outdone, members of the "B" team, Dylan Pejoves, Anaissa Gustinvil, Gabriel Cowan, and Nina Heffron, put up an impressive fight, showcasing their own remarkable knowledge of geography. The success of the event is a testament to the hard work and dedication of Mrs. Farrell, Mrs. Cuadrado, Mrs. Reynoso and Mrs. Meltz, who expertly prepared the teams for the competition. Their efforts helped to showcase the incredible talents and skills of these young students, who demonstrated a deep understanding and appreciation of the world around them. Congratulations to all of the participants for their outstanding performance, and special recognition to the winning "A" team for their impressive victory!
