Second Sunday of Easter / Sunday of Divine Mercy)

SO THAT YOU MAY BELIEVE

It is not often that the author of one of the books of the Bible comes right out and tells us directly why he is writing what he is writing. In this Sunday’s Gospel reading, taken from the conclusion of John’s Gospel, the author tells us that he has chosen to record these events so “that you may come to believe that Jesus is the Christ, the Son of God, and that through this belief you may have life in his name” (20:31).

The letter of John echoes this idea by saying that “[e]veryone who believes that Jesus is the Christ is begotten by God” (5:1)—what we might refer to as being “born again.” Our reading from the Acts of the Apostles for this Second Sunday of Easter shows us exactly what it looks like when believers are born again through faith.

ARE YOU SEEKING SPIRITUAL GUIDANCE OR DIRECTION?

Within each of us lies the desire to find meaning beyond the moment ... to discover our true selves ... to grow closer to God. Spiritual direction is a graced way to explore that deeper connection with God by reflecting deeply on your everyday experiences in the light of Scripture and prayer. This ministry is not about problem-solving or therapy, and not about being “directed”. Rather, it is a shared journey of encouragement to grow in relationship with God, self, others and creation. If you are seeking such a journey, contact Sr. Jo email (jostreva@srlschool.com) or call the Parish office at 305-758-0539 for an appointment.

SHARING FRANCISCAN SPIRITUALITY - BY SR. JO

On this eighth day of Easter, the Church celebrates Divine Mercy Sunday. Today's gospel highlights the love and mercy of our Risen Lord. While suddenly appearing among his frightened friends, Jesus said, "Peace be with you" and gifted them with the power of the Holy Spirit to carry on His mission. Since Thomas was absent and doubted their story, Jesus came again, greeted them with "peace" and patiently invited Thomas to touch His wounds and believe! Have you ever questioned or doubted your own faith? How have you allowed Christ's Peace to touch you?

Congratulations!

April is Child Abuse Prevention Month

Tips for Protecting Children and the Vulnerable

The residual effects of having been abused can last a lifetime. The sense of violation goes deep into a person's psyche and feelings of anger, shame, hurt and betrayal can build long after the abuse has taken place. Those who have been abused can heal, but it often takes time, therapy, and the support of loved ones.

Feeling heard leads toward healing. Relief from hurt and anger often comes when one feels heard, when one's pain and concerns are taken seriously, and a victim/survivor's appropriate sense of rage and indignation are acknowledged.
