SAVED BY THE ONE WHO WAS REJECTED

Some city teenagers often scorn and reject farm kids. Yet it's no exaggeration to say that humanity owes its life to farmers who care for the world's crops and livestock. This week's scriptures remind us that Jesus was as rejected as a shepherd, a farm boy, yet we owe our very lives to him.

In this Sunday's reading from the Acts of the Apostles Peter tells the people that salvation comes through Jesus Christ, the one who was rejected. In John's letter we hear that we have become God's beloved children through Jesus, whom the world did not know. Lastly, in the Gospel Jesus describes himself as the Good Shepherd who "lays down his life for the sheep" (John 10:11). Will you join Jesus in laying down your life for God's beloved flock?

SHARING FRANCISCAN SPIRITUALITY - BY SR. JO

Today's scripture readings proclaim that the Easter promises of eternal joy and peace have been fulfilled by the selfless love of our Risen Savior (Acts 4:8), and the tender care of our Good Shepherd (Jn 10:11). We are indeed blessed to be *called God's children* (1 Jn 3:1), and trust that the *Lord's kindness and mercy will endure forever* (Psalm 118). How will we share this "good news" message in our daily walk with Christ?

ARE YOU SEEKING SPIRITUAL GUIDANCE OR DIRECTION?

Within each of us lies the desire to find meaning beyond the moment ... to discover our true selves ... to grow closer to God. Spiritual direction is a graced way to explore that deeper connection with God by reflecting deeply on your everyday experiences in the light of Scripture and prayer. This ministry is not about problem-solving or therapy, and not about being "directed". Rather, it is a shared journey of encouragement to grow in relationship with God, self, others and creation. If you are seeking such a journey, contact Sr. Jo email (jostreva@srlschool.com) or call the Parish office at 305-758-0539 for an appointment.

April is Child Abuse Prevention Month

Tips for Protecting Children and the Vulnerable

People can be taught to identify grooming behavior. Grooming behaviors are the actions which abusers take to project the image that they are kind, generous, caring people, while their intent is to lure a minor into an inappropriate relationship. Offenders can be patient and may groom their victim, his or her family, or community for years.

There are behavior warning signs of inappropriate behavior. Some abusers isolate a potential victim by giving him or her undue attention or lavish gifts, others allow young people to participate in activities which their parents or guardians would not approve, such as watching pornography, drinking alcohol, using drugs, and excessive toughing, such as wrestling and tickling.
